### WHAT COVER IS INCLUDED?

### HOW MUCH TO INSURE FOR

It is up to **you** to make sure that the amounts **you** insure for represent the full re-building cost of the building(s) and the full replacement costs as new of the **contents** concerned. Remember, if **you** underinsure, claim payments may be reduced. **You** can change **your** Sums Insured at any time - **you** do not have to wait for renewal.

If a claim has been submitted, or there has been any incident likely to give rise to a claim during the current **period of insurance**, no refund for the unexpired portion of the premium will be given. ## CLAIMS PROCEDURE (applicable to Sections 1 to 4)

We have made everything as simple and straightforward as possible should **you** ever need to use **our** claims service.

### How to make a claim

When an accident happens, **you** should take any immediate action **you** think is necessary to protect **your** property and belongings from further damage, such as switching off the gas, electricity or water.

If **you** need to make a claim under this policy, please contact **Intasure** straight away by calling the claims helpline on: **0345 111 0672**.

To help **us** deal with **your** claim quickly **we** may require **you** to provide **us** with assistance and evidence that **we** require concerning the cause and value of any claim. Ideally, as part of the initial notification, **you** will provide:

- **Your** name, address, and contact telephone numbers
- Policy/Certificate number
- The date of the incident
- Police details / Crime Reference number where applicable
- The cause of the loss or damage
- Details and date of the loss or damage together with claim value if known
- Names and addresses of any other parties involved or responsible for the incident (including details of injuries) and addresses of any witnesses.

This information will enable **us** to make an initial evaluation on policy liability and claim value.

When **you** call **Intasure**, **we** may:

- Ask **you** to get estimates for building repairs or replacement items; or
- Arrange for the damage to be inspected by one of **our** claims advisors, an independent loss adjuster or other expert – their aim is to help **us** agree a fair settlement with **you**; or
- Arrange for the repair or a replacement as quickly as possible; or
- For some claims **we** or someone acting on **our** behalf may wish to meet with **you** to discuss the circumstances of the claim, to inspect the damage, or to undertake further investigations.

For **buildings** claims, **we** have a network of authorised repairers ready to put things right. If **we** appoint an authorised repairer:

- They will make **your home** safe for **you**,
- If further work is required, they will arrange a convenient time to complete the work,
- **You** will not need to obtain estimates,
- **You** can be assured of the standard of the work.

For **Contents** or **valuables** and **personal belongings** claims, if an authorised repairer or supplier is used:

- **we** will arrange for someone to repair or replace the lost or damaged items,
- **you** can be assured of the standard of work.

### Payments

Where payment of premium is not made, any cover otherwise provided by this insurance will be inoperative from the date the premium was due.

Where a claim has been notified during the current **period of insurance**, **you** must continue with the monthly payments throughout the remaining **period of insurance**, or pay the remaining premium in full. If **you** fail to do so, **we** may deduct any outstanding amount from any claims settlement.

## CLAIMS TERMS AND CONDITIONS (applicable to Sections 1 to 4)

- If a claim for liability is made against **you**, any letter, claim, writ, summons or other legal document **you** receive must be forwarded to **us** within 4 days, unanswered.
- **You** must not admit liability, or offer or agree to settle any claim without **our** written permission.

- Dates and location of when/where damaged items were purchased; and/or
- For damaged property, confirmation by a suitable qualified expert that the item **you** are claiming for is beyond repair.

**We** may need to get into a building that has been damaged to salvage anything **we** can and to make sure no more damage happens. **You** must help **us** to do this but **you** must not abandon **your** property to **us**.

**We** have the right, if **we** choose, in **your** name but at **our** expenses to:

- Take over the defence or settlement of any claim;
- Start legal action to get compensation from anyone else;
- Start legal action to get back from anyone else any payments that have already been made.

**You** must provide **us** with any information and assistance as **we** may require about any claim. **You** must help **us** to take legal action against anyone or help defend any legal action if **we** ask **you** to.

## CONDITIONS that apply to Section 1 - Buildings only

### How we deal with your claim

1) **We** will pay for the cost of work carried out in reinstating or replacing the damaged parts of **your buildings** and agreed fees and related costs. The amount **we** will pay where reinstatement is carried out will not exceed the lesser of:

- The cost of the work had it been completed by **our** nominated contractor; or
- The cost of the work based upon the most competitive estimate or tender from **your** nominated contractors.

If the reinstatement or replacement is not carried out, **we** will pay the lesser of:

- The decrease in market value of **your buildings** due to the damage;
- The cost of the work had it been completed by **our** nominated contractor if the repair work had been carried out without delay;
- The cost of the work based upon the most competitive estimate or tender from **your** nominated contractors if the repair work had been carried out without delay.

2) Where an **excess** applies, this will be taken off the amount of **your** claim.

3) If **your buildings** have not been kept in a good state of repair or if the sum insured at the time of the loss or damage is less than the cost of rebuilding all **your buildings** in the same way, size, style and appearance as when they were new, including fees and related costs, **we** will pay the cost of reinstating or replacing the damaged parts of **your buildings** and **we** will, where appropriate, take off an amount for wear and tear.

4) The most **we** will pay for any one claim, including fees and related costs, is the amount it will cost **us** to reinstate the damage to **your buildings** in the same way, size, style and appearance as when they were new, but not more than the sum insured or any limits shown on **your schedule**.

5) **We** will not pay the cost of replacing or repairing any undamaged part of the **buildings** which form part of a pair, set, suite or part of a common design or function when the loss or damage is restricted to a clearly identifiable area or specific part.

All **building** repairs carried out by **our** preferred suppliers and insured under the Buildings section of this policy are guaranteed for 12 months in respect of quality of workmanship.

No allowance will be made for VAT when a cash settlement is made.

### Your sum insured

**Your buildings** should be insured for the full cost of rebuilding the **buildings** in the same form, style and condition as new plus an amount for architects', surveyors, consulting engineers and legal fees, debris removal costs and other costs to comply with government or local authority requirements.

**We** will not pay more than the sum insured for each premises shown in the **schedule**.

### Proportionate remedy

If the cost of rebuilding the **buildings** is more than **your** sum insured at the time of any loss or damage, then **we** will proportionally reduce the amount of any claim payment made by the percentage of under payment of premium which has arisen as a result of the shortfall in the sum insured. For example, if the premium **you** have paid for **your buildings** insurance is equal to 75% of what **your** premium would have been if **your buildings** sum insured was enough to reconstruct **your buildings**, then **we** will pay up to 75% of the claim made by **you**.

### Maintaining the sum insured

After **we** have settled a claim, **we** will not reduce **your** sum insured on **your buildings**, as long as **you** take the measures **we** suggest to prevent any further loss or damage.

**We** will not charge any extra premium for maintaining the sum insured.

### Inflation Protection

The sum insured shown on **your schedule** will be adjusted in line with a recognised index. Please note that if **we** selected **your** sum insured for **you**, the sum insured shown on **your schedule** will not be adjusted.

No extra charge will be made for any increase until the renewal of the policy, when the renewal premium will be based on the adjusted sum insured and limits.

For **your** protection, **we** will not reduce **your** sum insured or limits if the **index** moves down unless **you** ask **us** to.

For example, if the premium **you** have paid for **your contents** is equal to 75% of what **your** premium would have been if **your contents** sum

insured was enough to replace the entire **contents** of **your home** as new, then **we** will pay up to 75% of any claim made by **you**.

### Maintaining the sum insured

After **we** have settled a claim, **we** will not reduce **your** sum insured on **your contents**, as long as **you** take the measures **we** suggest to prevent any further loss or damage.

### Inflation Protection

The sum insured shown on **your schedule** will be adjusted in line with a recognised index. Please note that if **we** selected **your** sum insured for **you**, the sum insured shown on **your schedule** will not be adjusted.

No extra charge will be made for any increase until the renewal of the policy, when the renewal premium will be based on the adjusted sum insured and limits.
